

Michel's

WIRELESS REMOTE OPERATED GATE OPENER

POWER PRO OPENER

“Plug & Play Wiring and D.O.T. Certified Air Fittings”

- ❖ Add the Electric Tarp System and SAVE!!!
- ❖ Control your Hoist, Gate, Electric Tarp and Swing Auger with the Michel's 200 Series Integrated Wireless Remote

Weather Pack Connectors are environmentally sealed electrical connections designed to withstand exposure to extreme temperatures and moisture and allow for easy installation

"Push-to-connect" fittings, are provided to use on the air lines. These fittings are D.O.T. certified.

All **"Power Pro"** control boxes are tarp ready and can be programmed into the **"Power Pro"** remote to operate. This remote has a 200 ft. obstructed view range. The control box can be mounted on the side of the truck box for easy access in this way there is no need to expose yourself to the dust by leaning over the auger to close the gate. Operate the Gate using the control box or the
