

# Michel's HY-TOWER™

- 12V Self Contained Electric/Hydraulic Power Unit
- Heavy Duty Spring Loaded Roll Tube Assembly

- Cover any Container from 15 to 40 Cubic Yards
- Raise Tower, Deploy and Secure the Tarp, Lower the Tower and Hit the Road!!!

**Durable and Built to Last**

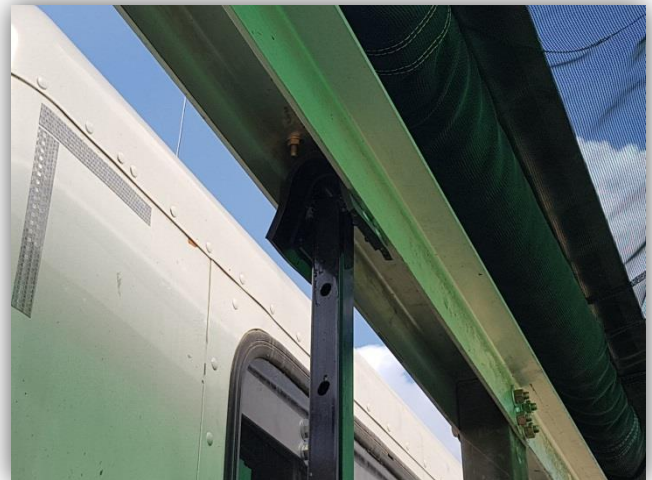

Single Leg Tower lifts 15' above the truck frame so the tarp can easily be pulled over the load

The light-weight, easy to handle, mesh tarp material allows you to quickly contain heaping loads from the safety of the ground

Hydraulics for the system are self-contained and require minimal maintenance. Easily raise and lower the tower with a toggle switch

Specially designed supports keep tower secure for transport.

Preassembled for Easy Install
